Community Advocacy Network – Dial Olympia — NW Washington

Join our advocacy network!!

All Area Agencies on Aging are required, as part of their mission, to advocate for the needs of seniors in their communities. As part of that responsibility, Northwest Regional Council coordinates a very active network of citizens (CAN-DO), who advocate, primarily through email and phone contact with legislators, in support of senior needs.

Please consider joining our advocacy network to make your voice heard! While participation is free, and minimal time is required, your assistance can make a real difference in the lives of seniors!

For more information on advocacy and the CAN-DO network, visit our webpage: [ADVOCACY](#), or for more information, email [Richard Dietz](#) or call him at 360-676-6749 or 800-585-6749.
